

2010 MHSBCA POLLS

REGIONAL POLL REPRESENTATIVES FOR SOME REGIONS NEEDED.
Check the poll representative list for unfilled regions and contact John Donley at jdonley@homeoftheshamrocks.org if you would like to serve as a region poll representative.

INFORMATION & PROCEDURES

The 2010 polls process will begin soon. Coaches must understand that the district and the regional chairmen for the All-State process may be different than the representatives for the polls. The list of polls representatives and their email contact information is listed on the MHSBCA web site.

REGULAR SEASON POLLS

The first regular season poll will be released the week of APRIL 12.

Each individual coach is responsible for contacting his Regional Representative if he feels his team or another team in his area is deserving of ranking. You should email your regional representative **by Sunday** of each week. You should briefly give your rationale for the ranking and the **team's record.**

Regional Representatives, please follow these steps to create a fair polls process for each division.

SUNDAY- Each individual coach contacts his regional representative.

MONDAY- Each **Regional Representative** will create the top three teams in his region based on reports from coaches, personal observations, and information gathered from media. These results will be sent to their **Division Chairman**.

TUESDAY- Each **Division Chairman** will create a top 10 list from his information. These results will be sent to the **Overall Polls Chairman**, John Donley, jdonley@homeoftheshamrocks.org

WEDNESDAY- The polls chairman will distribute the four division's top 10 lists to various media sources, including the MHSBCA website.

The polls will then be posted every Wednesday of the baseball season beginning April 14. For any questions, coaches can email John Donley, polls chairman, at jdonley@homeoftheshamrocks.org
